MEDIA ADVISORY

City to Host Public Discussion of Streetscape Project Scheduled for West Broad Street

FALLS CHURCH, VA. – The City of Falls Church will hold a public meeting on Thursday, Feb. 22 from 7 p.m.-9 p.m. in the City Hall Training Center (300 Park Ave., Level G) to solicit input on the upcoming streetscape and road reconstruction projects planned for the 400 block of West Broad Street (Route 7).

The streetscape project involves the undergrounding of overhead utilities; reconstruction of sidewalk, curb, gutter, and driveway entrances; and installation of decorative street lighting. These enhancements are designed to match improvements previously made to other sections of West Broad Street. The road reconstruction project will involve reconstruction of the roadbed to meet Virginia Department of Transportation standards.

The public meeting is an opportunity for residents and businesses to learn about the potential impact of these projects and voice their opinions.

The City of Falls Church is committed to the letter and spirit of the Americans with Disabilities Act. To request a reasonable accommodation for any type of disability, call 703-248-5080 (TTY 711).

WHAT: West Broad Streetscape Public Meeting

WHEN: Thursday, Feb. 22, 7 p.m.-9 p.m.

WHERE: City Hall Training Center (300 Park Ave., Level G, Falls Church, VA 22046)
